★ FULL-TIME
FRONTEND DEVELOPER -
SENIOR FRONTEND DEVELOPER -
FRONTEND LEAD
MAY 2016 - CURRENT

APD / GrowthOps

My working experience with esteemed clients such as **HAssurance, Mas Airline, RHB, Maxis, AIA**, and others has helped me develop a deep understanding of the industry's requirements and trends. I have also acquired extensive experience of developing and integrating the web app into CMS, primarily AEM and Sitecore, from end-to-end.

With my expertise in mentoring and guiding the teams, from scripting skill, troubleshooting, to their soft skill, thus ensuring successful project delivery.

★ FULL-TIME
FRONTEND DEVELOPER
JUNE 2015 - MAY 2016

Kingdom Digital Sdn. Bhd.

I worked as a frontend developer, primarily focusing on WordPress website revamps for clients. Additionally, I was involved in developing campaigns that required heavy animation and parallax effects, such as the Nescafe Mountainwash and the Toyota Vios Pulse of Action.

★ FULL-TIME
SENIOR DESIGNER
JAN 2014 - MAY 2015

Agenda Solution Malaysia

I worked as a senior designer and was involved in several projects, including the web revamp pitching for UMW Motor Sdn Bhd. As a lead developer, I was responsible for building the Tan and Tan Property website using WordPress and some other team projects.

★ FULL-TIME
DESIGNER
FEB 2011 - DEC 2013

Agenda Solution Malaysia

worked as a designer in Agenda. The brand that I had handled is Toyota, MeadJohnson, Colgate, Lexus, Revive, Maybank, Nikon and Alamanda Suria KLCC. I designed and coded, mostly perform on-site maintenance, facebook application and email template slicing.
